Swanley Celebrates Hat-Trick Win at The Annual Green Flag Awards

Parks and green spaces across the country are flying their Green Flag Awards with pride this year. In 2020 and now in 2021, millions of people have appreciated great quality green spaces on their doorstep.

Among them will be Swanley Park, which is raising a Green Flag Award for the third consecutive year. In addition, Swanley Recreation Ground and Elephant Park are both celebrating their first awards, in what is a record year for Swanley.

The award signifies an international quality mark for our open spaces. In total more than 2,000 sites across the world collected the award for 2020.

The Green Flag Award scheme, managed by environmental charity Keep Britain Tidy under licence from the Ministry of Housing, Communities and Local

Government, recognises and rewards well-managed parks and green spaces, setting the benchmark standard for their management across the United Kingdom and around the world.

CEO and former Park and Open Spaces Director Ryan Hayman said "Green spaces have never been more important, and I am thankful that three of the best are in our community. Our park and grounds staff worked throughout lockdown as key workers, so this award is as much for them as it is for the whole town to enjoy."

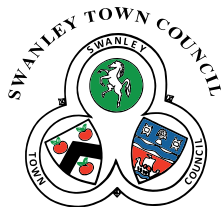

Swanley Town Council's Mayor Cllr Lesley Dyball added 'This year I have been overwhelmed in seeing how our parks have improved the wellbeing of our community, despite the difficult challenges we have all faced.

I am delighted to see that for the first time we have won multiple Green Flag awards, our parks are now the envy of the international community and as a resident I could not be more proud.'

Commenting on Swanley's treble success, Keep Britain Tidy Chief Executive Allison Ogden-Newton OBE said: "This year, more than ever, our parks and green spaces have been a lifeline and we know that millions of people have used them to relax, meet friends, exercise or simply escape for a short time."

"It is testament to the incredible dedication and hard work of parks staff and volunteers that, despite the challenges Swanley has achieved the highest international standards at all its parks demanded by the Green Flag Award."

A word from the Mayor Councillor Lesley Dyball

This has been a tough year for all of us, but a glimmer of light has appeared at the end of the long tunnel with the roll-out of the Covid-19 vaccination programme.

The disappointment of not being able to enjoy the usual Christmas festivities and large family get-togethers are thankfully behind us and hopefully we can start to look towards brighter days.

I hope that you were able to share some time with your loved ones even if, like me, it was virtually using the wonders of technology.

I would like to think that the community spirit, kindness and concern for others which has been so apparent in our town and has brought us through this difficult time, will continue.

It is appropriate as well, to acknowledge all of the volunteers who keep our local clubs, groups, sporting activities and voluntary services going.

I want to express my gratitude for your efforts, not just during the pandemic but year-round; they are nothing short of amazing. I wish I could thank you all in person but that just isn't possible.

Hopefully we'll all have a better 2021!

With every good wish.

Lesley Dyball

Mayor of Swanley
Town Council

Our New CEO

I have now been in the CEO role at Swanley Town Council for three months.

It has certainly been a memorable period.

Obviously, we have had to tackle the challenges presented by Covid-19 and the varying levels of lockdown. This has had a direct impact on our venues and planned events for winter.

This year unfortunately both the Fireworks and Light up the Town events were cancelled.

We did however, turn on the Christmas lights earlier than planned to bring some festive cheer to the town centre.

It would appear that we might be turning the corner, thanks to the continued rollout of a vaccine and a return to normality seems to be on the horizon.

These challenges have not halted our ambitions to continually improve the town.

We have pressed onwards with the planned

developments at Swanley Park with the Soft Play Centre soon to be completed.

The Male, Female and Family room toilets at the park are currently undergoing extensive renovations and will be completed in readiness for the Spring.

Elsewhere around the town, you will have noticed the fantastic winter bedding plants which have brightened our community during the long dark days.

Looking forward into 2021 we are hopefully planning for a return to our typical events calendar.

In addition, we anticipate that the venues and parks will be busy in the coming months as everyone once again begins to enjoy what Swanley has to offer.

Ryan M Hayman

CEO

RIVERMERE CARE HOME

Stay Safe This Winter

We are all facing an unusual winter, particularly with the worry of providing care, meals or getting out and about with our loved ones. A short-stay or permanent move to an Avery care home is reassuring for both carer and cared for. The care home team make the moving and settling in process straightforward and a positive experience giving peace of mind during the dark winter nights.

- Covid-19 antibody tests for relatives to join your loved one on moving-in day
- Avery Assured safety cleaning protocols and systems • Frequent testing procedures
- Hearty winter food menus • Daily activities socially distanced and still having fun
 - A warm and friendly environment to make new friends
 - Visit loved ones in line with government guidelines

Call 01732 492287 or search 'Rivermere Care' online or on 

Residential care provider
of the year

We follow Public Health England guidance at all times

Deborah Clarke Retires from the Swanley Therapy Centre

Deborah Clarke has retired from her role as Manager of the Swanley Therapy Centre after eleven years.

The Centre is one of only two such facilities in Kent catering for people with multiple sclerosis, neurological conditions, cancers or injuries, by breathing oxygen in a pressurised chamber.

The Swanley Therapy Centre is a Charity which raises funds through events and donations and hosts coffee mornings and exercise through sessions of Pilates.

Support has been global with London Marathon fundraisers coming from as far afield as Tasmania and Singapore.

Deborah explained, "With a strong team of volunteers alongside me, we've been able to keep the centre running in Swanley after it nearly closed. Even COVID-19 hasn't beaten us!

I'd like to think we've given support and care to those in the community who have needed it."

Many have been helped by receiving oxygen at the Swanley Therapy Centre including an injured Superbike Champion and a number of firemen affected by smoke inhalation when they tackled the Grenfell Tower fire.

The Mayor, Councillor Lesley Dyball, who has supported the Swanley Therapy Centre, said that, "Deborah has worked tirelessly in her role, going above and beyond to provide this incredibly valuable and much needed service.

On behalf of Swanley Town Council I would like to wish her a very happy retirement".

Deborah plans to carry on supporting this Charity, but with time on her hands, she would like to visit her favourite haunts in Italy and see more of her grandchildren.

Barbara Playfoot Retires

We would like to wish Barbara Playfoot a long and happy retirement.

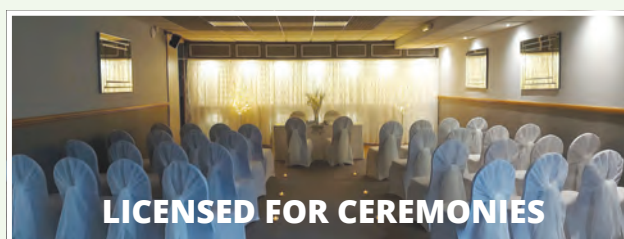

Barbara worked for Swanley Town Council as the Democratic Services Officer from 1st March 2017 until 31st October 2020.

This role has now been taken up by Suzie Barnbrook in addition to her role as Sales and Marketing Manager.

Light Up The Town 2020

Despite Covid and the restrictions, we wanted to continue to bring festive cheer to Swanley by lighting up the Town earlier than usual. As we were unable to host our annual Light up the Town event.

The Mayor of Swanley, Cllr Lesley Dyball said "I am delighted that we were still able to provide a fabulous Christmas Tree along with the decorations on the lamp posts, icicle and mistletoe lights and a brilliant new decoration in the Town centre."

Special thanks to those who volunteered and arranged the Santa Sleigh around Swanley.

Home Instead
SENIOR CARE®
To us, it's personal.

Delight Over Gift Giving Generosity

A care company is delighted with the success of the first of its annual gift giving scheme 'Be a Santa to a Senior'.

At-home care company Home Instead Senior Care collected gifts at their offices in Polhill.

The many presents donated were given to the Community Cupboard in West Kingsdown to be distributed to the people that need it most this Christmas.

Home Instead owner, Jag Yogarajah, said "The team would like to thank the public, local businesses and our CAREGivers for their generosity towards our 'Be a Santa to a Senior' gift-giving scheme.

It is heart warming that lonely older people are very much in the thoughts of many people in the community."

Photo opposite: Jag Yogarajah (Director) and Lauren Smith (Marketing Assistant) from Home Instead Senior Care donating gifts to The Community Cupboard.

Residents Parking Permits Due to Expire March 2021

a copy of your V5 registration document and
your NEW 2021/2022 Council Tax bill.

Any applications received before
the new council tax bill is issued
will expire at the end of
March 2021.

Archer Way Planting

Following on from the successful planting of more than 600 whips at Swanley Park last year, Swanley Town Council and Swanley Wildlife and Nature Group reunited to plant over 300 trees at Archer Way.

It is hoped that over the next 15 years these will grow into a row of trees for us all to enjoy.

To further enhance the green space, Swanley Town Council have recently installed two benches and a bin at the site, so park users can now relax and enjoy the spectacular views on offer whilst disposing of their litter appropriately.

Swanley Wildlife and Nature Group's Richard Maile said "As a local resident, it was very rewarding to plant the trees to create a hedgerow.

It is important to protect and enhance green spaces in Swanley to help wildlife, the wider environment and provide places for people to enjoy."

The new CEO and former Park and Open Spaces Director Ryan Hayman said "I am thankful for all the hard work Richard and Cllrs Paul and Glynnis Darrington put into planting these whips.

Protecting our environment has never been more important and projects like these are of the upmost importance and we will continue to support schemes like this."

Before the end of November, Swanley Town Council will be planting over 100 whips at Swanley Park.

These will be visible from the lake and playground areas of the park. In total over 1000 whips will have been planted between recent projects.

Live Well, Stay Safe

We offer more than just shopping!

- Undertaking domestic tasks including the cleaning & disinfecting of high touch surfaces
- Shopping for essentials and be able to pack everything away for you
- Picking up medication from local pharmacies and support prescription requirements
- Caring for you if you are feeling unwell and self-isolating
- Posting letters, so you can keep in touch with your loved ones
- Our local CAREGivers visit at the time to suit you
- Helping you use technology to "video chat" with family

Home care is safe care

Our professional and DBS checked CAREGivers are required to protect you and themselves and are highly experienced and trained in using a combination of social distancing, infection control procedures and wearing PPE as guided by government.

Tackling Abandoned Trolleys Update

Following the article in the Autumn 2020 edition of the Town Crier, I am pleased to advise that we have successfully engaged with both Aldi and ASDA regarding abandoned trolleys in Swanley.

Both companies have agreed to pay the charges for the collection, storage and return of the trolleys collected by Swanley Town Council staff.

This is a great step forward to helping to rid the town of unsightly abandoned trolleys and make businesses take responsibility of this problem.

We will continue to collect trolleys abandoned in Swanley and issue fines to the stores to which they belong.

The charges will be reinvested into Town Council events and facilities.

For more information on projects in Swanley please go to our website at <https://www.swanleytowncouncil.gov.uk>

Toni Roast,
Assistant Town Clerk.

Symptom-free Testing Sites Open Across Kent

Rapid-result Coronavirus testing for people who don't have symptoms is being rolled out across Kent starting 11 January 2021

The testing will find people who don't currently have symptoms, and who may be unknowingly spreading the virus.

The sites are part of a rolling programme to help reduce the rates of transmission in Kent.

Fourteen test centres are being provided across Kent, including Swanley and close to the District in Tunbridge Wells, Dartford and Gravesend.

All testing sites will be open daily from 9am to 7pm Monday.

Anyone who lives or works in Kent can book a test.

Once all 14 sites are open, there will be capacity for over 13,000 tests across Kent each day.

You can book a test online by visiting <https://kcc.healthit.org.uk/covbook/home>

Swanley Youth and Community Centre.

To book online follow the link or scan the QR Code below.

Great British Spring Clean

The Great British Spring Clean was another event which had to be postponed from March until September due to Lock Down, however there were still plenty of volunteers who wanted to help.

This initiative has been renamed the Great British September Clean and will take place each September and we will be taking part on the 10th - 13th September 2021.

However I feel that it is important to push forward with the cleanup events and have therefore arranged an additional cleanup event for 26th and 27th March 2021.

If you are interested in helping please email me at troast@swanleytowncouncil.gov.uk or telephone 01322 665855.

If you have been involved in the cleanup events previously I will be in contact with you to find out your availability.

Toni Roast
Assistant Town Clerk.

Remembrance Day

Remembrance Day on the 8th November 2020 was very different to that of previous years as the parade and service were not able to take place.

Swanley Town Council did however make sure that the soldier silhouettes all had new poppies.

We added to our poppies for Remembrance Day this year by painting poppies on some of the grass verges using an environmentally friendly paint.

The Mayor of Swanley Cllr Lesley Dyball, The Lord Sackville and Laura Trott MP together with Cllr Michael Horwood the leader of the Council were still able to pay their respects to those men and women who had fallen in war.

The Exhortation was read and 2 minutes silence was observed prior to wreaths being laid.

The Mayor of Swanley Cllr Lesley Dyball said "It was important that we paid our respects this year adhering to social distance guidelines in place to protect ourselves, others and the NHS."

Toni Roast, Assistant Town Clerk

11th November 2020

On the 11th November 2020 representatives from the Royal British Legion, with their Standard bearer, along with Toni Roast, Assistant Town Clerk and Suzie Barnbrook, The Sales, Marketing and Democratic Manger paid their respects to those who had fallen in war.

The Exhortation was read by Jackie Best and the standard was lowered.

The first maroon sounded at 11.00am from Swanley Park

to mark the beginning of the official two minutes silence when the second maroon sounded at 11.02am and the standard was raised again.
