To approve as correct the Minutes of the Meeting held on Wednesday 20th February 2019.

APPROVED

10671 TO RECEIVE THE MONTHLY FINANCES

- Cllr Southern commented that the Civic Centre balance sheet is showing a reduction in the expenditure by £50,000 without removing or reducing any existing services and officials are to be commended on this achievement. He did note that next year the Civic would lose £24,000 as SDC will not be paying for the LINK services and the incoming Council will need to focus on that.
- Cllr Southern noted that the Alexandra Suite income was up by 10% and expenditure only up by 3% and was showing £90,000 surplus on the current year to date. He went on to say that some of the surplus has been earmarked for the refurbishment of the venue.
- Cllr Southern mentioned that the Olympic was showing an improvement on last year, bar and catering purchases have been reduced but long term conference letting still required focus.
- Cllr Southern noted that Swanley Park's balance sheet was really extraordinary and there was every indication that it will improve over the next year. He went on to say that social media was positive and would like to congratulate Ryan Hayman the Park Director on his efforts.

- Cllr Southern commented that the other reports were showing positive and transparent information. He commented that he was pleased that in his last term as a councillor he was leaving the council in good order and again thanked the officials involved.
